

# San Leandro Yacht Club

## Puff 'n' Putt

Volume 51, Issue 2

August 2014

### Commodore Pennington's Message:

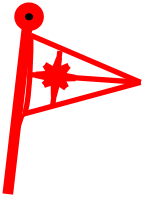

I am pleased to announce that we have some new members to our club. First we have Rick and Vickie Erickson from Fremont. Rick & Vickie moved to the Bay Area from the Las Vegas area and they have a Bayliner 245 that they keep on a trailer. They are very eager to get out on the water and explore. Next, we have John and Doreen Fellows from San Leandro. John & Doreen and their two sons have a 22' cuddy cabin with an I/O. Rick and John both work at Stanford in the west bay. Please welcome them the next time you see them at the club. Another not-so recent member is Dwight Pitcaithley of San Leandro. Dwight has been instrumental in his campaign to save the San Leandro Marina from developers.

As a reminder, we will have our Annual Fun Day and Chili Cook-Off this coming Saturday, August 9<sup>th</sup> and we hope to see all our members there, and we hope to have some great Chili and you get to be the judge to vote for your favorite. Normally the rules call for candidates who are preparing their entry to prepare their chili at the club. However I have taken the liberty to amend the usual rules to allow candidates to prepare their entry at home, however they must make the final preparation for serving at the club. All entries must be home made and from recipes and not made up from a single ingredient out of a can or jar.

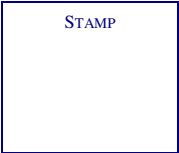

The festivities start at 2 pm with a hot dog lunch and chili tasting, so bring your appetite and if you are able, your chili entry for the judging.
